No individuals were observed drinking.</p> <p>An ASB officer who speaks Gujarati spoke to a few individuals at length about the prohibition of drinking in the park. They were informed of the enforcement programme in the coming weeks.</p> <p>One male admitted to frequenting the park with his friends to drink but always discarded the drinks in bin bags (pictures attached). He was educated that this behaviour was unacceptable and he could be liable to a £100 fine and potential court prosecution. He also mentioned rough sleepers were frequently defecating in the thick shrubbery, which is a few hundred yards from the bench and a hub for street drinkers. Photos of the dense area sent to the Parks Team to consider cutting back.</p>

# ONE TREE HILL WEEKEND COVERAGE

The bench (by Bowrons Ave JCT with Norton Road Exit) sits on a hill by a short concrete post, which has some graffiti tags on it (pictures attached). It provides a congregation point and an aerial few on access points into the park, which would give street drinkers time to disperse should uniform deployment enter. Information passed on to Brent Parks.

Attached are also some pictures of graffiti near the entrance of bridge water road. Sent to Veolia to remedy.
